MCLA : 2010-2011

A Letter From The President

Dear Members of the Class of 2011:

Congratulations on your graduation from Massachusetts College of Liberal Arts!

Earning a baccalaureate or master's degree is a significant milestone and a great accomplishment. Take pride in your achievement, and know that we are proud of you. I encourage and challenge you to take what you learned at MCLA and apply it to the next stage of your educational journey, your work, and your life as an engaged and informed global citizen.

Thank you for all that you brought to MCLA, both in and out of the classroom. Your presence and your contributions made MCLA a stronger place. I hope you will carry a piece of

this institution with you through the enduring relationships you developed with members of the faculty and staff, and the lifelong friendships you built and sustained here. Treasure and nurture these relationships, and they will continue to enrich your lives for years to come.

Please keep in contact with the Alumni Office. Keep us informed of your accomplishments so that we can celebrate them together.

It has been my privilege and pleasure to serve as president during your time at MCLA. I wish each member of the Class of 2011 my fellow alumni the very best wishes in all your future endeavors.

Sincerely,

A handwritten signature in cursive script, reading "Mary K. Grant".
